

SAM ALLEN WHOLESALE

National Distributor of

SHURflo®

Pentair Water

SHURFLO

marine plumbing systems

SHURflo has been the marine industry's leading plumbing supplier for more than 20 years. Through innovative product design, superior service and close customer relationships, SHURflo's solutions support the growth of the marine industry and ensure the satisfaction of boaters around the world.

SAM ALLEN WHOLESALE

about us

(As quoted Mr Brendan Pudney - SHURflo Products Sales Manager Aust & NZ)

“Sam Allen leads a strong and successful business by delivering great customer support. Sam’s efforts in forming long term strategic product distribution partnerships with top quality market endorsed products, and leading a strong customer service team, by focusing on exceptional service to all their customers over many years. This appointment has helped to support SHURflo ‘trade end-users’ in Australia with both the stock range and supply service necessary to keep the marine industry sailing towards a successful and safe future.”

Sam Allen Wholesale aim to bring their customers the whole range of marine SHURflo products at an improved price structure. The sales team at SAW have many years experience with SHURflo products and look forward to sharing that knowledge with all of their customers.

FRESH WATER pumps

3 YEAR WARRANTY

Aqua King™ Fresh Water Pumps

The Next Generation SHURflo pumps guarantee quiet operation and smooth performance while providing the ultimate in durability and reliability. Designed and built specifically for the harsh marine environment, the Next Generation SHURflo pumps are equipped with sealed switches and seamless e-coated motors. Thermally Protected. Ignition Protected.

Specifications: Intermittent Duty Multi-Fixture Application.

SAW Part No.	SHURflo Part No.	Name	Voltage	Dimensions	Flow Rate	Amps (Max)	Shut-Off Pressure	R.R.P
23934	3901-0206	Aqua King Standard 3.0	12 VDC	7.3" x 5.0" x 4.6" (184 x 127 x 118mm)	3.0 GPM (11.35 LPM)	5	55 PSI (3.5 BAR)	\$193.60

23933	2901-0213	Aqua King Junior 2.0	12 VDC	7.3" x 5.0" x 4.6" (184 x 127 x 118mm)	2.0 GPM (7.6 LPM)	4	30 PSI (2.0 BAR)	\$162.90

3 YEAR WARRANTY

Extreme™ Series Smart Sensor™ 5.7

The Smart Sensor™ 5.7 is a micro processor control based variable speed pump that delivers over 5 GPM and pressure up to 60 PSI. SHURflo's Smart Sensor™ 5.7 precisely monitors your system's water pressure and adjusts the motor speed, thus eliminating the need for a pressure switch. The corrosion resistant coated seamless motor shell and protected electronic package make the Smart Sensor™ capable of handling the harsh marine environment. Thermally Protected. Ignition Protected.

Specifications: Seamless Shell w/Electro-Coating. Variable Speed, Multi-Fixture.

SAW Part No.	SHURflo Part No.	Voltage	Dimensions	Flow Rate	Amps (Max)	Shut-Off Pressure	R.R.P
