## Description

The Mercury Racing® Pro Finish Bravo I FS outboard propeller offers excellent time-to-plane performance, sweet mid-range punch, and awesome top-end speeds for bass, flats, cat flats, and performance center-console bay boats. The stainless steel prop, designed for use on 150 hp to 350 hp four strokes including Mercury Verado®, Mercury Pro FourStroke, and competitor-brand engines, features four robust blades and a tuned exhaust tube. The shortened exhaust tube provides greater top-end speed, while minimizing stern lift for improved boat handling and performance.

### SPECIFICATIONS

Pitch   22", 23", 24", 25", 26", 27", 28", 29", 30", 31"

Rotation   RH, LH

Finish   Pro Finish

### APPLICATIONS

Contact Mercury Racing Performance Propeller Manager Scott Reichow at 920-924-2037 regarding propeller applications and performance.
