Description

No matter what's on your family's boating agenda, the new R560 X-Rider delivers

Handcrafted for adventurous families who like to keep their options open, the all new R560 X-Rider boasts a versatile cockpit that no 19-foot sterndrive can match. Designed to unleash the potential of the latest FourStroke or Direct Injection 2-Stroke outboards in the 115 - 150hp range, the R560 X-Rider's purposeful stance really delivers out on the water where it counts.

Revival's signature 21degree deadrise parts the chop while the broad reverse chines keep things nice and level. Regardless of whether you're towing a brood of giggling teens or parked up on you favourite stretch of beach, the R560 X-Rider is happy to oblige. If your fishing itch needs scratching, a range of angling accessories can be optioned at any time.

- Versatile package that delivers on all fronts.
- Redesigned helm accommodates up to two 7" head units.
- Efficient hull design maximises performance without compromising on ride comfort or stability at rest.
- Unrivalled storage options to hide skis, fishing tackle and family gear.
- New X-Rider re-write's the bowrider rule book, and creates a few rules of its own.

The R560 X-Rider borrows its hull from the the mighty R580 and infuses it with a DNA that's all its own. It stirs in equal parts ski boat and sportfisher for the ultimate boating cocktail.

COLOUR and TRIM*

All Revival hulls are available in the standard Arctic White gelcoat or splash out with one of eight (8) full or two-tone gelcoat options. X-Rider, SportZ and OffShore editions feature two-tone grey vinyl interiors while WeekEnders are treated to cloth detailing in the cabins.

TECH SPEC and FEATURES

EXTERIOR

The all-new R560 boasts one of the most versatile rear cockpits in its class. A wave-slicing 21deg deadrise ensures a soft, dry ride while the broad stance creates a stable and confident platform at rest and underway.
