Description

The cabin length has been extended by 300mm allowing for extra protection for drivers and passengers. Carpeted Hood lining comes standard for improved aesthetic and added comfort. The new standard rain deflectors allowing extra protection and keeping your passengers dry. As well as the standard Bait Board, there is now a bait station upgrade available on all Yellowfin boats which has inbuilt removable tackle station to keep all your gear. If you're looking to impress your mates the Yellowfin Southerners can now be optioned up to include the LED kit to improve your night fishing experience.
